Recital Update

This year's dance recital will be Sunday, June 13th. Stage rehearsal will be on Saturday, June 12th.

In May, you will receive a packet with all the information needed for the show. All students participating in the show are also asked to attend an extra practice. At this practice, the students will learn a short routine for the Finalé of the show.

Recital Costumes

Costumes will be ordered by the end of the week. If you have not yet paid a deposit or made arrangements for payment, please contact the office manager.

Recital Volunteers

We are in need of volunteers in several different areas for our recital including "Class Mom's". To show our gratitude for your assistance, we will be offering two free tickets to the show. Please see the office if you are interested in helping out this year!
